

SEEDLINGS FOR SHORELINES 2018

Quinte Conservation is once again offering the KLA several species of wild flowers, trees and shrubs for shoreline planting. Attached is a PDF provided by Quinte's Conservation Education Coordinator promoting the program. Below are the specific species and quantities of seedlings that KLA has ordered on your behalf - a total of 175 seedlings.

Wild Flowers

Blue Flag Iris - 25
Cardinal Flower - 30
Swamp Milkweed – 10

Shrubs

Meadowsweet – 10
Pussy Willow - 15
Honeysuckle – 10
Red Osier Dogwood – 15
Steeple Bush – 10
Speckled Alder - 10

Trees

White Birch - 15
Balsam Fir - 10
Red Maple – 15

These seedlings are being offered on a first come-first served basis to KLA members and will be available for distribution the weekend of 19/20 May 2018.

Anyone interested please place your orders with Gord Brown at gord.brown53@gmail.com or (613) 335-4843
